## BOOK SYNOPSIS

Written in 1955 by the then junior senator from Massachusetts, John F. Kennedy's *Profiles in Courage* has served as a clarion call to every American. A collection of eight inspiring, unsung, and heroic acts by American patriots at different junctures in our nation's history, Kennedy's book became required reading and an instant classic and was awarded the Pulitzer Prize. Now, a half-century later, it remains a moving, powerful, and relevant testament to the indomitable national spirit and an unparalleled celebration of that most noble of human virtues. Along with vintage photographs and an extensive author biography, this book features Kennedy's correspondence about the writing project, contemporary reviews, a letter from Ernest Hemingway, and two rousing speeches from recipients of the Profile in Courage Award.
